WHEREAS, The Pennsylvania Sewage Facilities Act, Act 537 of 1965 (Act 537), 35 P.S. § 750.5 (Act), requires municipalities to engage in sewage facilities planning, including the adoption and administration of an official plan for sewer services for areas within their jurisdiction; and

WHEREAS, in 1992 the Board of Supervisors of Dickinson Township adopted, and the Pennsylvania Department of Environmental Protection approved, the Township's Act 537 Sewage Facilities Plan for sewage services in and throughout the Township (Official Plan); and

WHEREAS, the Board of Supervisors of Dickinson Township is engaged in additional sewage facilities planning for the Township with the purpose of preparing and adopting a revision to the Official Plan for sewage services in the northeastern portion of the Township, the Phase I Planning Area (Phase I Act 537 Sewage Facilities Plan); and

WHEREAS, the Board of Supervisors of Dickinson Township have prepared the Phase I Act 537 Sewage Facilities Plan to be in general conformance with the Township's land use policies and ordinances, including but not limited to its Comprehensive Plan and Zoning Ordinance, and with the Cumberland County Comprehensive Plan.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors:

1. The Board of Supervisors hereby adopts the Phase I Act 537 Sewage Facilities Plan as a revision to the Official Plan.
2. The Board of Supervisors directs the Township Manager to submit the Phase I Act 537 Sewage Facilities Plan to the Pennsylvania Department of Environmental Protection for its approval as a revision to the Official Plan, as identified above.
3. The Township intends and commits to a complete and timely implementation of the Phase I Act 537 Sewage Facilities Plan, as required by Section 5 of the Act.

Until such developer-funded facilities are available, no sewage facilities will be provided.
