Dickinson Township Planning Commission  
Dickinson Township  
219 Mountain View Road  
Mount Holly Springs, PA 17065

Dear Planning Commission Members:

I regret to inform you that due to my acceptance of a position with Cumberland County, I will be unable to continue to serve you as your Solicitor. The demands on my time as a result of undertaking that position require me to consider my municipal appointments as they relate to maintaining my private practice and my new County position.

It has truly been a pleasure serving you as your Solicitor. Besides being personally pleasant to work with, I can say without a doubt that I have seen few planning commissions as dedicated to its tasks while serving the best interests of the citizens that it represents like the Dickinson Township Planning Commission.

With best personal regards,

Yours truly,
