Dickinson Township Newsletter

Volume 22, Issue 01

## Meet the New Appointees

### Rob Kole (Elected Township Supervisor)

When I moved my family to Dickinson Township in 2005, I believed that I had moved to the promise land! We have often referred to Dickinson Township as the best kept secret in Central PA. We have an amazing blend of mountains, streams, farmland, small community neighborhood developments, and a vast array of small and large private properties. It's an amazing place to live and I hope to retire here. I am a small business owner of a local insurance agency in Carlisle. I enjoy playing volleyball, golf, and I recently finished an Ironman triathlon race in Lake Placid New York last July. I am humbled and honored to be elected to my first public office and to serve the Township as a Supervisor. My vision is to bring a neighborly experience to local government. I plan to listen, communicate, and follow through on commitments. I would encourage you to reach out to me personally or come out to our Township meetings to say hello and share what is on your mind. Let's work together to ensure that Dickinson Township continues to be that best kept secret!

### Kyle Snyder (Public Works)

Kyle recently joined the Public Works crew. He was born and raised in Dickinson Township and graduated from Carlisle High School. Kyle comes to us from a municipal background and looks forward to expanding his knowledge. Kyle enjoys spending time with his wife Emilee, their one year old daughter Neva, and walking his dog Kody. His hobbies include camping, hunting, and fishing. In his spare time he likes making chainsaw carvings.

## A Note from the Manager

This will be a busy year for the Township as the Supervisors work with staff on the implementation and adoption of the Updated Comprehensive Plan. The Comp Plan is a long-range policy plan for Townships to help with future goals, objectives and strategies. The Planning Commission has spent countless meetings and hours reviewing and updating the Plan to better align with the newly adopted Zoning Ordinance. The Supervisors will now review the draft for adoption. The Township encourages residents to attend the Comp Plan workshops that will be held on the first Monday of every month at 6 PM.

We are excited to share that Staff have been working with the Cumberland County Conservation District, Planning Department and PA Trout Unlimited on a grant for a stream bank restoration and a native plant restoration project at Stuart Park.

As the weather warms up, you will see the public works crew begin to ramp up on the 2022 road work preparations to include cross pipe replacements, roadside grading, and patch repairs. Please be patient and slow down while driving through construction areas. View the Township website for construction notifications and updates on road closures.

In closing, the Township is in dire need of volunteers for the Park & Recreation Board and the Planning Commission. If you are interested in serving, please reach out to staff at (717) 486-7424.

Have a great Spring!!! *Larry Barrick Jr.*

## Coronavirus Precautions

### ATTENTION COVID-19

To minimize the spread of the COVID-19 virus, the Township Supervisors will continue to implement some preventative measures to protect our Township Residents & Staff.

Keep up to date on Township business proceedings and meetings via our website.

Parks & Recreation News

Stuart & Lindenwood Parks

A restroom/storage building is being constructed at Stuart Park and should be completed by late spring 2022.

The Park & Recreation Board and Board of Supervisors have completed a Site Development Plan for developing Stuart and Lindenwood Parks. This Plan will be used as a guide and tool for future recreational needs.

Volunteers are needed to serve as members on the Park & Recreation Board. If you, or someone you know is interested in serving, contact the Township Office. There are currently two vacancies. Get involved!

**Res. 2021 -07** 2022 Budget Approved 11/15/2021.  
**Res. 2022 -01** Fee Schedule Approved 1/3/2022.  
**Res. 2022-02** Designating Depository Approved 1/3/2022.  
**Res. 2022-03** Oppose I-83 South bridge toll Approved 1/17/22.

## Municipal Recycling Program

Recycle Right means "Clean" Recycling

So what can I recycle?

While recycling is the first step in the process, it's important to put materials in the cart or bin that actually belong there. Most importantly, we need your help to reduce the contamination of clean recycling materials by separating those with organic material on them. Know before you throw! Check the Township website for more information.

Combine #1 - #7 plastics, jars, aluminum and steel food containers. Please wash all plastics, and metals, remove all caps/rings before you recycle them.

Rinse plastic and metal containers to remove as much organic

### RHOADES PLUMBING HEATING & AIR CONDITIONING

JOHN M. RHOADES JR.  
rhoades.phac@yahoo.com

### STORM WATER PERMITS

\* \* REMINDER \* \*

All construction projects with over 1,000 square feet of impervious coverage requires a Storm Water Plan. This includes structures, driveways, sidewalks and patios.

Contact Glenn Kelso for further information:  
(717) 486-7424 Ext. 206

## PA State Police

As warmer weather approaches, there is typically an uptick of vehicle break-ins. Remember to keep valuables out of sight, and your car doors locked. We give every effort to find those responsible, not all crimes can be solved.

As the income tax deadline nears, scammers will call and pretend to be from the IRS, demanding payment. No legitimate agency will ask for payment over the phone, payment via gift cards, nor payment through services like Western Union. Don't make yourself an easy victim. If it sounds suspicious or you have doubt, go with your instinct.

## Septic Pumping/Inspection Reminder

The Township staff has forwarded reminders to residents requiring septic pumping in 2022. It is required that every owner of an individual sewage system have septage or other solids removed from the treatment tank at least once every 3 years. Proof of pumping and/or inspection shall be provided by the owner of the individual system within 30 days of the date of service to the Township, along with the required \$10 administrative fee, which helps to offset administrative costs. Please visit [www.dickinsontownship.org](http://www.dickinsontownship.org) for more information, including required forms and a list of approved septic haulers.

The alternative is to have a Registered Septic Hauler or Inspection Company perform a "sludge test" to verify there is no more than 1/3 of the capacity of the tank filled with solids. If this is the case, you will receive a waiver from the pumping requirements until the next 3 year cycle. A report must be submitted for the solids inspection, along with the \$10 administrative fee.

## Amelia S. Givin Library

The Amelia S. Givin Library  
114 N Baltimore Avenue  
Mt. Holly Springs, PA 17065

Cynthia Stratton-Thompson is the Director of the Amelia Givin Library in Mt. Holly Springs. Call the library at (717) 486-3688 for information on the numerous events held at the Library. There are many events for all ages to include children, teens, and adults. Many events may require pre-registration so contact the Library for a full listing of events and additional details.

## Newsletter Mailing

The Township newsletter is distributed biannually to keep the residents informed. To be removed from the mailing list, call the Township office at 717-486-7424 or send an email to [treasurer@dickinsontownship.org](mailto:treasurer@dickinsontownship.org).

### NUISANCE ORDINANCE

REMINDER: Trees and shrubs located within the Township's right-of-way are the responsibility of the homeowner. Please remember to trim or remove dead, dying, or overgrown vegetation before it becomes a nuisance.

### Cumberland County Vector Control

Sign up for "Notify Me" emails to stay informed on the West Nile Virus Program aimed to protect citizens from mosquito-borne disease. Visit [www.ccpa.net/westnile](http://www.ccpa.net/westnile), or contact 717-240-7808.
