Upcoming Meetings	10
Holidays / Kings Gap	

Jennifer DeGaetano (Supervisor)

Jen thanks the residents for entrusting her to represent them on the Board of Supervisors. Her husband, Jim, and her have two kids and have been residents of the Township for a little over 8 years. They love where they live and enjoy the outdoors so you may see her out walking or hiking or at local parks spending time with her family. She looks forward to meeting with residents and listening to the ideas and concerns for the Township. Together we can work to ensure Dickinson Township continues to be a great place to live and raise our families.

Michael Shenk (Parks & Recreation)

Mike joined the Park & Rec Board in 2024. He grew up in Mt. Holly Springs, graduating from Carlisle High School and Clarion University. He served 26+ years active duty in the Army as a Blackhawk helicopter pilot, West Point mathematics instructor, and Inspector General. After a 35-year absence from PA, he and his fiancé Kimber Townsend returned to the Township to reconnect with family, friends, and their community.

Henry Koch (Parks & Recreation)

Henry recently joined the Park & Rec Board as a Junior member. He is a student at Carlisle High School and is interested in serving the community.

Matthew Boyer (Solicitor)

Matt brings over 20 years of legal experience to the Township and has worked with the Salzman Hughes team on municipal matters since joining the firm in 2021. Prior to that, Matt served as in-house counsel to companies in the insurance, information technology, and automotive industries. He has litigated cases in state and federal courts, and before the Armed Services Board of contract Appeals in Falls Church, Virginia. He graduated from Franklin & Marshall College with a Bachelor of Arts degree in 1998 and earned his law degree from Widener University Commonwealth Law School in 2001.

## MUNICIPAL COALITION

At their March 18th meeting, Dickinson Township approved entering into a Joint Cost Sharing Agreement to form a Municipal Coalition with other municipalities regarding (FPR's) Food Processed Residuals .

This link can be accessed on the front page of the Township website

## A Note from the Manager

For informational purposes, the Township has been using what is called a "Double Chip Seal" to seal and protect existing roads, not the standard "tar and chip" that most Townships and PennDOT use. The Double chip seal uses a high-grade emulsion whereas the tar and chip uses a standard generic oil, and the stone is not metered. During the double chip seal process the contractor lays down a layer of emulsion and stone followed up by a second layer of emulsion and stone. This process is used to help seal the roads to ensure their longevity and to prolong the need to repave the roads, which is very costly.

You may see that the roads are starting to look grey to white in color, which means the oil in the road is drying out due to the weather, winter road salt, traffic, etc. The Double chip seal will provide the necessary oils that it needs to protect it. The emulsion will help seal any cracks, peeling, imperfections, etc. The double layer of stone will help add structure to the road, help fill in any divots and help provide better traction during any snow and icing events over the winter. Townships seal the roads the same as a resident seals their driveway, to help protect them for many years to come. The only difference is that we must use the stone to allow traffic on them immediately.

Have a great Spring!!! *Larry Barrick Jr.*

**Www.Dickinsontownship.org**

- \* Building/Zoning permits
- \* Subdivision & Land Development
- \* Stormwater
- \* Road Occupancy
- \* Park Rental
- \* Administrative

**CURB WATER POLLUTION**

**Start in Your Own Back Yard**

- ◆ Set mower height to 3 inches or higher.
- ◆ Retain grass clippings and chopped leaves onsite.
- ◆ Keep clippings/leaves out of streams, drains & off the street.
- ◆ Fertilizers for your lawn . . . do you need them?
- ◆ Test your soil, consult a professional or certified applicator.
- ◆ Maximize the slow-release nitrogen in your fertilizer.
- ◆ Start with low amounts or fewer applications.
- ◆ Apply only during the growing season and check the weather.
- ◆ Do not fertilize/use pesticides within 15-20' of a stream.

**Septic Haulers**

The following is a list of approved septic haulers.

- |   |                                 |
|---|---------------------------------|
| Advanced Septic Service                     | Associated Products             |
| Burkholder Transport                        | Central Penn Septic LLC         |
| D & D Septic                                | Baymont on Call                 |
| Peck's Septic Service                       | Rosenberry's Septic Service     |
| Premier Property Service                    | Young's Sanitary Septic Service |
| Dillsburg Excavating Septic, Inc.           |                                 |
| Chamberlin & Wingert Sanitary Services, LLC |                                 |

**GRANTS RECEIVED**

Dickinson Township has been actively involved with numerous agencies over the years, taking advantage of any grant opportunities that are potentially attainable. The following is an overview of the efforts made, and grants received for various purposes.

Recycling (2013—2023)	\$ 113,014.06

## Parks & Recreation News

### Stuart & Lindenwood Parks

A Cumberland County Land Partnership Grant has been approved in the amount of \$40,000 to upgrade the existing walking trails at Stuart & Lindenwood Parks, as well as the installation of a new section of trail at each Park. Township staff continues to apply for grants to continue the development of both parks.

Volunteers are needed to serve on the Park & Recreation Board, as well as volunteers to provide assistance with planned events. If you, or someone you know is interested in serving, contact the Township Office. **Get involved!**

### Pavilion Rentals

#### Stuart Park

located on Pine Road (at Barnitz Mill)

Call (717) 486-7424 to make a reservation.  
Residential Rate: \$50 Non-Resident Rate: \$60  
Security deposit of \$15 due at time of reservation, which is refunded if the pavilion is cleaned after use.

### Medication Take-Back Box Locations

- Carlisle Borough Police Dept. - 240 Lincoln St, Carlisle**
- Cumb. Co. Human Services Bldg - 16 W. High St, Carlisle**
- Cumberland County Courthouse - One Courthouse Square, Carlisle**
- Dickinson College Dept. of Public Safety - (Kauffman Bldg.) 400 W. North St, Carlisle**
- Mt. Holly Springs Police Dept - 200 Harman St., Mt. Holly Springs**

### Get Involved in Your Township

There are various Boards and Commission that are made up of residents who are interested in serving the community. The Township accepts resumes from volunteers who want to be considered for any open positions on the Planning Commission, Zoning Hearing Board, Park & Recreation Board, and Municipal Authority. If interested, submit a brief resume to manager@dickinsontownship.org.

**Current Open Positions:** 1 Planning Commission; 1 Park & Rec; 1 Zoning Hearing Board Alternate

- Fanus Road:**  
Pavement Repair \* Grading \* Chip Seal
- Green Mountain Road**  
Grading \* Chip Seal
- Ball Park Drive**  
Grading \* Chip Seal
- Richland Road & Mooredale Road**  
Grading
- Stonehouse Road**  
Grading \* Pavement Repair

All meetings are held at the Township Municipal Building at 219 Mountain View Road in Mt. Holly Springs, PA 17065. Please visit [www.dickinsontownship.org](http://www.dickinsontownship.org) or call the Township for more information.

### Online Voter Registration Available

The PA Department of State offers online voter registration for the primary and general elections. The form can be found at register.votesPA.com.

The deadline for registering is 30 days prior to each election. Register to vote at a PA Department of Transportation photo license center or Call 1-877-VOTESPA (1-877-868-3772).

### New Ordinances & Resolutions

- Res. 2024 -01** Fee Schedule. Approved 1/2/2024
- Res. 2024 -02** Depositories of Funds. Approved 1/2/2024.
- Res. 2024 -03** FPR Stricter Guidelines. Approved 1/15/2024.

### Municipal Recycling Program

Recycle Right means "Clean" Recycling

#### So what can I recycle?

While recycling is the first step in the process, it's important to put materials in the cart or bin that actually belong there. Most importantly, we need your help to reduce the contamination of clean recycling materials by separating those with organic material on them. Know before you throw! Check the Township website for more information.

Combine #1 - #7 plastics, jars, aluminum and steel food containers. Please wash all plastics, and metals, remove all caps/rings before you recycle them.

Rinse plastic and metal containers to remove as much organic residue as possible.

**STORM WATER PERMITS** \* \* REMINDER \* \*

All construction projects with over 1,000 square feet of impervious coverage requires a Storm Water Plan. This includes structures, driveways, sidewalks and patios.

Contact Brandon Brookens for further information:  
(717) 486-7424 Ext. 210

**PA State Police**

As warmer weather approaches, there is typically an uptick of vehicle break-ins. Remember to keep valuables out of sight, and your car doors locked. We give every effort to find those responsible, however, not all crimes can be solved.

As the income tax deadline nears, scammers will call and pretend to be from the IRS, demanding payment. No legitimate agency will ask for payment over the phone, payment via gift cards, nor payment through services like Western Union. Don't make yourself an easy victim. If it sounds suspicious, go with your instinct.

Final Plan approved 10-16-2023

Bosniak Islamic Culture Land Development
Final Plan approved 3-18-2024

Maceiko & Anderson Subdivision
Final Plan approved 3-18-2024

NUISANCE ORDINANCE

REMINDER: Trees and shrubs located within the Township's right-of-way are the responsibility of the homeowner. Please remember to trim or remove dead, dying, or overgrown vegetation before it becomes a nuisance.

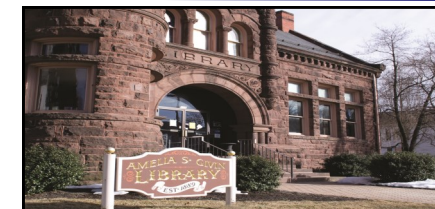

Septic Pumping/Inspection Reminder

The Township staff has forwarded reminders to residents requiring septic pumping in 2024. It is required that every owner of an individual sewage system have septage or other solids removed from the treatment tank at least once every 3 years. Proof of pumping and/or inspection shall be provided by the owner of the individual system within 30 days of the date of service to the Township, along with the required \$10 administrative fee, which helps to offset administrative costs. Please visit www.dickinsontownship.org for more information, including required forms and a list of approved septic haulers.

The alternative is to have a Registered Septic Hauler or Inspection Company perform a "sludge test" to verify there is no more than 1/3 of the capacity of the tank filled with solids. If this is the case, you will receive a waiver from the pumping requirements until the next 3 year cycle. A report must be submitted for the solids inspection, along with the \$10 administrative fee.

Amelia S. Givin Library

The Amelia S. Givin Library
114 N Baltimore Avenue
Mt. Holly Springs, PA 17065

Cynthia Stratton-Thompson is the Director of the Amelia Givin Library in Mt. Holly Springs. Call the library at (717) 486-3688 for information on the numerous events held at the Library. There are many events for all ages to include children, teens, and adults. Many events may require pre-registration so contact the Library for a full listing of events and additional details.

Newsletter Mailing

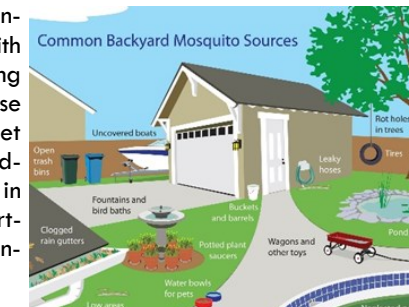

The Township newsletter is distributed biannually to keep the residents informed. To be removed from the mailing list, call the Township office at 717-486-7424 or send an email to treasurer@dickinsontownship.org.

This Wet Weather Gives a Good Opportunity

With all of the rain and snow melt we have been experiencing, it may seem like you see water everywhere, which you may use to your advantage in the fight against early season mosquitoes. The earliest mosquitoes residents deal with when Springtime rolls around is flood water mosquitoes. A good thing to know is where the low laying areas are around your properties to help treat early season to prevent the pesky biting insects. Products made with BTI are good for treating standing water because they specifically target mosquito larvae. BTI products can be purchased in most hardware or department stores in the gardening section.

Cumberland County Electronics Recycling Center 1001 Claremont Rd., Carlisle, PA
